PROFESSIONAL EXPERIENCE

Global Head – Cyber Defense & Security Operations

Eversana | Global | 2021 – Present

- Own global cyber defense and security operations strategy across enterprise IT, cloud platforms, data environments, and third-party ecosystems.
- Built and scaled a hybrid global SOC, achieving **~50% improvement** in threat detection and response timelines.
- Established cloud security governance across AWS, Azure & GCP, embedding security-by-design into digital transformation initiatives.
- Advise executive leadership on cyber risk posture, investment prioritization, and secure business expansion.
- Lead cybersecurity due diligence for M&A initiatives and oversee secure post-merger integration.

Senior Manager – IT Security & Risk

Société Générale Global Solution Center | Bengaluru | 2019 – 2021

- Designed and implemented enterprise-wide cyber risk, vulnerability, and third-party security programs.
- Strengthened regulatory compliance posture aligned to GDPR and global banking requirements.
- Reduced critical vulnerability exposure **by ~40%** through risk-based remediation strategies.
- Collaborated with technology and business stakeholders to embed security controls into digital platforms.

Senior Information Security Manager

Tata Consultancy Services (TCS) | 2016 – 2019

- Led large-scale information security programs for global enterprise clients across multiple industries.
- Enhanced SOC capabilities, improving monitoring, threat detection, and incident response maturity.
- Drove ISO 27001, PCI DSS and HIPAA aligned governance, audits, and compliance readiness for client environments.

Earlier Career – Security Architect & Consultant

2003 – 2015 | Lexmark, British Telecom, PwC, Airtel, Sahara India

- Delivered enterprise, network, and infrastructure security solutions across diverse global environments.
- Led secure architecture design, supported cloud adoption initiatives, and contributed to ISO 27001 implementations.

SELECTED ACHIEVEMENTS

- Reduced enterprise cyber risk exposure through strategic security transformation and governance initiatives.
- Improved SOC maturity and operational resilience across global operations.
- Enabled audit-ready security programs supporting regulatory compliance and scalable business growth.

AWARDS, THOUGHT LEADERSHIP & INDUSTRY CONTRIBUTIONS

- **NextCSO 2024 Award** – India's Future CISO, CSO Forum
- **Cybersecurity Excellence Award**, Société Générale
- Member and Speaker, **Cloud Security Alliance (CSA)**, Bengaluru Chapter
- Contributor to cybersecurity blogs, executive roundtables, and podcasts focused on resilience and AI governance

EDUCATION & CERTIFICATIONS

Bachelor of Engineering (Electrical & Electronics) – National Institute of Technology (NIT), Silchar

CISM | C-CISO | ISO 27001 Lead Auditor & Lead Implementer | CCNA
